

AVL COMMERCIAL POWERTRAIN SYMPOSIUM 2017

Mar.15 Day 1		Topics	
8:00-8:50	Registration		
8:50-9:30	Welcome speech		
	Introduction, AVL Intro incl. STC	AVL	Dr. Frank Beste, GM of STC
9:30-10:15	Global Trends in electrification	AVL	Mr.Schreier Heimo, Manager
10:15	Tea & coffee break		
10:45-11:15	China legal/incentive boundary conditions for CV electrification		Mr.Jin Min, Team Leader
11:15-12:00	Challenges for Chinese OEMs during the development of electric trucks	CNHTC	Dr. Liu Guoqing, Director
12:00	Lunch		
13:00-14:00	System engineering methodology to optimize powertrain solution for specific application - case study	AVL	Dr. Denkmayr Klaus, Manager of TC Mr.Barbe David, Team Leader
14:00-14:45	48V mild hybrid system for best fuel economy	AVL	Mr.Glensvig Michael, Manager
14:45	Tea & coffee break		
15:15-16:00	Technology solutions for MD & HD high speed transmissions	AVL	Mr.Woentner Gebhard, Chief Engineer
16:00-17:00	How to develop functionally safety systems for truck and bus?	AVL	Dr. Denkmayr Klaus, Manager of TC
17:00	Break / Bus to STC		
17:30-18:30	Facility Tour to AVL Shanghai Technical Center	AVL	Dr Frank Beste, GM of STC
19:00	Dinner Event at First Hall Barossa Café		
Mar.16 Day 2		Topics	
8:30-9:15	E-drive Battery supplier		TBD
9:15-10:00	Performance and safety optimized battery systems		Mr. Brunnsteiner Bernhard, Lead Engineer
10:00	Tea & coffee break		
10:30-11:15	High efficient and high performance fuel systems for trucks and buses		Ms.Moradi Farzaneh, Manager
11:15-12:00	Technological approach to reach durable and cost effective e-drive systems		Mr.Perthen Roger, Manager
12:00	Lunch		
13:00-14:00	Thermal management optimization to cope with Chinese environments and boost system efficiency		Mr.Suzzi Daniele, Manager
14:00-14:45	NVH simulation in vehicle integration of electric powertrains		Mr.Priestner Christoph, Team Leader
14:45	Tea & coffee break		
15:15-16:00	A modular pre-validated approach to advanced XEV software & controls		Mr.Teufelberger Patrick, Team Leader
16:00-17:00	How to avoid EMC issues late in the development process ?		Mr.Perthen Roger, Manager
17:00	End of conference
